Nursery Traditional story-time

...END OF TERM ALREADY!!!

School resumed ever so early this new year and here we are already at the end of the second term of the academic year!

We learnt a whole lot and had fun as well, thanks to our teachers and the support of the best parents in the whole world –Benford International School, FCT, Abuja parents!

Next term we will be having: Career and Professions assemblies; language week, Maths quizzes; Art exhibition, Portfolio presentations, Fathers' assembly, Teachers' appreciation day; our very first OPEN HOUSE titled 'Medicine' (when each classroom in Benford would be changed into the world of its chosen branch of medicine) AND the Speech and prize giving day when our Reception class and Year 6 children would also be graduating to Primary and Secondary schools respectively.

We hope that all the children achieved their milestones or show very positive signs of nearly doing so. Please ensure that we spend our holidays constructively and in good company. Help us maintain and improve on our diction with constant practice please. Have a beautiful holiday and BE SAFE!

Favourite Character Costume during Book Week

Beautiful Mums during Mothers' Assembly

Reception class depicting Mums (WAZOBIA)
