The term started with a Parents’ briefing (not coffee morning this time) where it was decided that parents forums should be scheduled to hold any day from Monday to Thursday from 3pm, so as to enable all parents to come. The parents’ briefing was a very interactive session.

During this half of term, we had a whole week dedicated to languages. We spoke French, Hausa, Igbo and Yoruba on different days of the week and were able to put into practice what we had been learning.

We also had a Math quiz competition in the Primary section and a Spelling Bee competition for the Nursery section. The Nursery had Portfolio presentations and the Continuous Assessment (CAT) was successfully done both electronically and conventionally as scheduled in the Term’s calendar. Our Art exhibition and competition was super!

Last term, we said good-bye to Mrs Angela Akashili and Mrs Lynda Karakite. This term, we welcome Dr /Mrs Zita K. Ume, our new Director, Mr Fache our new Math Teacher and Miss Blessing Nwaofor our new Year 3 Teacher. We are glad to have you on board.

In the next half of term and last segment of this academic session, we will be having a ‘Child-Protection’ awareness program where officials from the relative Government parastatals will be addressing us. Our Teachers will be celebrated for a week (It’s the only time you are officially allowed to appreciate your child’s teacher by giving a gift, if you so desire) during Teachers Appreciation week. During Fathers assembly, it’s Daddy’s turn to be appreciated as Mummy and grandparents have had their turn. On the last Saturday of June, the whole school is going to become a hospital and every class from the Nursery to Year 6 is going to be a specialist ward as we open our school for our Maiden Open-House themed, ‘Medicine’, all are cordially invited. Who is a Hero/Heroine? Find out at our Heroes and Heroine assembly coming up during our last assembly for the session. Speech and Prize giving comes up on the 14th of July. The reception class will be moving up to the Primary section and we will be sending forth our Year 6 pupils to various secondary schools and following up on their progress in the future. Sooooo much to look forward to. Thank you for your patronage.
TUESDAY CLUBS
